CIDNA BOARD

Meets the second Wed. of the month at Jones-Harrison.

All residents (including renters + owners) and local business representatives are invited to attend board meetings to share ideas and concerns, get involved by volunteering for a short shift at an event or to join the CIDNA Board. Your voice matters in our community.

ENVIRONMENTAL COMMITTEE

Meets the second Tues. of the month at members' homes.

This committee monitors environmental issues and organizes educational initiatives and clean-ups including gardening at Park Siding Park, Cedar Lake South Beach improvements, restoration of the Cedar Lake South Point natural area, and monitoring planning related to neighborhood and regional parks.

SOCIAL COMMITTEE

Meets around annual events at MOV Marketplace.

This committee plans and executes events and other community building activities. Recent initiatives include: May Day Basket Making & Deliveries, Summer Solstice Celebration, Ice Cream Social and Puppet Show, and the CIDNA Fall Festival.

FUNDING

City funding has been cut and now covers just over half of our annual operating expenses. CIDNA uses its limited reserve funds to make up the difference while trying to expand sponsorships and fundraising. Every tax-deductible contribution helps us create connections, celebrate community, and make Cedar-Isles-Dean an even better place to live.
